- **Burnout Risk:** The constant responsibility can lead to fatigue, impacting decision-making and overall effectiveness.
- **Adaptability:** Different athletes respond to leadership styles; rigid adherence to the rule might not fit all situations.

Limitations

- **Over-reliance:** Athletes might depend excessively on the coach, hindering their development of self-reliance.

- Builds trust and respect within the team.
- Ensures consistent leadership and clear communication.
- Promotes meticulous preparation and attention to detail.
